New Immunization Rules and Regulations

Dear Parent/Guardian of an Elementary Student:

In anticipation of new Rules and Regulations Pertaining to Immunizations taking effect September 1st, 2014, we want to inform you of the NEW immunization requirements:

**Kindergarten Students:** 1 dose of Hepatitis A on or after the first birthday

**1st Grade Students:** 1 dose of Hepatitis A on or after the first birthday (if did not previously receive a dose)

**11 Year Old Students:** 1 dose of Tdap (Tetanus/Diphtheria/Acellular Pertussis)

**VARICELLA/Chicken Pox**—all students. 2 doses with 1 dose on or after first birthday and dose 2 at least 28 days after dose 1

OR

A medical professional history may be accepted in lieu of receiving vaccine.

Please take your child to get any immunizations needed and send a copy to your school nurse as soon as possible. If you have questions, please contact your school nurse.

Kindergarten: At least four doses of Diphtheria/Tetanus/Acellular Pertussis (DTaP), Diphtheria/Tetanus/Pertussis (DTP), or Diphtheria/Tetanus (DT pediatric) vaccine; at least three doses of Polio vaccine; two doses of MMR (measles, mumps, and rubella) vaccine; three doses of Hepatitis B vaccine; one dose of Hepatitis A; and two doses of Varicella (chickenpox) vaccine. A medical professional’s [medical doctor (MD), advanced practice nurse (APN), doctor of osteopathy (DO), or physician assistant (PA)] history of disease may be accepted in lieu of receiving Varicella vaccine. No self or parental history of varicella disease will be accepted. Exception: If a student has previously received two doses of measles, one dose of mumps and one dose of rubella before January 1, 2010, the doses will be accepted as compliant to immunization requirements and 2 MMRs are not required.

1st through 12th grade: At least three or four doses of Diphtheria/Tetanus/Acellular Pertussis (DTaP), Diphtheria/Tetanus/Pertussis (DTP), Diphtheria/Tetanus (DT-pediatric), Tetanus/Diphtheria (Td-adult) or Tetanus/Diphtheria/Acellular Pertussis (Tdap) and one dose of Tdap for ages 11 years (as of September 1st each year) and older or 3 doses for unvaccinated persons 7 years of age or older (including persons who cannot document prior vaccination); at least three doses of Polio vaccine; two doses of MMR (measles, mumps, and rubella) vaccine; two or three doses of Hepatitis B vaccine; one dose of Hepatitis A for First Grade; two doses of varicella vaccine; and one or two doses of Meningococcal vaccine with one dose for 7th grade and a second dose of Meningococcal vaccine at age 16 years (as of September 1st each year). However, if the first dose of Meningococcal vaccine is administered at age 16 years or older, no second dose is required; or if not vaccinated prior to age 16 years, one dose is required. A medical professional’s [medical doctor (MD), advanced practice nurse (APN), doctor of osteopathy (DO), or physician assistant (PA)] history of disease may be accepted in lieu of receiving Varicella vaccine. No self or parental history of varicella disease will be accepted.). Exception: If a student has previously received two doses of measles, one dose of mumps and one dose of rubella before January 1, 2010, the doses will be accepted as compliant to immunization requirements and 2 MMRs are not required.
